Achieving the Required Level of Oil Production

Now in its fourth year, IRAQ MEGA PROJECTS will gather stakeholders from across the value chain, to identify project and infrastructure investment opportunities in support of oilfield production. With representation from **senior Iraqi professionals, contract holders** and **the service industry**, this is the must attend meeting point for the Iraq mega projects industry.

The **International Exhibition** will showcase innovative and competitive services, products and technologies to engineering, construction and oilfield service providers.

IRAQ MEGA PROJECTS 2012 – **Key Statistics**

- 1273 participants from over 34 countries
- 47% of visitors had purchasing power over $250,000
- 87% of visitors were from the Middle East – GCC
- 25% of visitors were Director, CEO,COO, MD, Chairman, President or VP level
